

AVOTUS TO PARTICIPATE IN CISCO LIVE'S WORLD OF SOLUTIONS
Company Selected from Extended Cisco Ecosystem to Provide Insights on TEM Industry

TORONTO, NEW JERSEY, MUMBAI – July 06, 2011 – Avotus Corporation, a leading provider of telecom expense management (TEM) services, eProcurement, and Call Accounting (Usage Management) solutions, today announced that they will be participating in Cisco Live's World of Solutions at the live conference in Las Vegas, Nevada from July 10-14, 2011.

Cisco Live is Cisco's annual IT and communications conference centered on the World of Solutions Expo which is the primary attraction of most in attendance every year. With one on one access to industry leaders, the conference attracts thousands of technical innovators and purchasing decision makers, making it the premier event of its kind in the world. Avotus is proud to be an exhibitor at this year's event at the World of Solutions and will showcase the new release of its premier call accounting suite, ICM Unity.

Visitors will have a chance to speak with experts on a variety of solutions to find out how to enhance and extend their Cisco implementation at Avotus Booth # 2351.

“We are happy to be a part of this solution evolution as it is one of the best ways to gain and contribute insight into the future of our industry and technology as a whole. While we understand that the market is continually evolving with newer means to communicate than ever before, we stand committed to ensure that our solutions remain compatible with the prevalent technology of it's time” said Sumer Shankardass, CEO of Avotus. “This is a testament to the Avotus team that has developed, certified, implemented, and constantly found ways to improve a solution that delivers best in class quality while remaining committed to customer satisfaction.”
