

Avotus Set to Sponsor, Exhibit at GENBAND Perspectives16

Event to take place May 1-5 in Orlando, Florida

OAKLAND, New Jersey– April 21, 2016 – Avotus Corporation, the leading provider of Intelligent Communications Management (ICM) solutions, announces that it will sponsor and exhibit at this year's GENBAND Perspectives16 event, taking place May 1-5 in Orlando, Fla. at the JW Marriott Orlando, Grande Lakes. Avotus is an exhibitor level sponsor and will be available for formal meetings and informal discussion at **Booth #10**.

"This event provides Avotus with the perfect opportunity to showcase our game-changing Enhanced Usage Reporting (EUR) for Unified Communications (UC) solution," states James Martino, CEO of Avotus. "EUR UC allows communication managers to gain unprecedented visibility into the full suite of UC features. The solution provides the ability to monitor and eliminate the misuse of tools such as instant messaging, voice, wireless and video conferencing. We deliver unmatched visibility and comprehensive reporting on corporate communications, improving the overall management of UC assets."

GENBAND Perspectives16 is a five-day event that brings together the brightest minds in the technology, service provider and enterprise communities. Perspectives16 is designed to provide a unique forum for sharing the latest trends, issues and opportunities affecting the communications landscape. Attendees will gain insight from top influencers in the corporate world and market-leading technology companies who are dynamically changing the way we work, play and live.

To schedule a meeting with Avotus at the GENBAND Perspectives16 event, contact Latha.dhyani@avotus.com or visit them at **Booth #10** during the event.

About Avotus

With more than 30 years of industry experience, Avotus is the award-winning provider of **Intelligent Communications Management (ICM)** solutions. ICM solutions enable users to optimize, manage and protect against misuse and abuse of their critical investments in telecom and technology. Often, Avotus' ICM lifecycle can be deployed in a manner that allows each engagement to self-fund the next, while putting cash on the clients bottom line at each step. ICM solutions include: Enhanced Usage Reporting (EUR) for Unified Communications, Expense Management with ITAM Robot (EM), Intelli-Sourcing and Wireless Management. Avotus and its partners serve more than 1,000 clients in North America and around the world, many of which are industry-leading Fortune 5000 companies. ICM is Avotus' Intelligent approach to managing wireline and wireless assets, and your safeguard for next-generation solution implementation.
